I want to participate in the **Future Search Network**. I understand my fees and contributions fund and support:

1. Service to members through reports, brochures, videos, listserve, website, archives, research and more.
2. *FutureSearching*, the network newsletter.
3. Member's data base and *Future Search* conference database.
4. Access to internships.
5. Support for local **Future Search Network** startups.
6. Scholarship funding for workshop trainings.

I also understand **Future Search Network's** copyright policy – that so long as I maintain my membership, I have permission to copy and use (but not resell) all **Future Search Network** documents, handouts, worksheets, and workshop materials. My \$125 first year fee is enclosed (Make checks payable to: *Future Search Network*.) *If you can't afford the standard due of \$125, please set your own payment level.*
